The meeting was called to order by Chairman Funk at 7:30PM. The minutes from the August meeting were reviewed and on a 1st motion by James Watson and a second by Paul Courter motion passed to approve the minutes.

There was no old business. There was new business. There has not been any new development for the proposed Dollar General Store. There was no Public Comments.

Zoning Officer Rich Brungard reported there were no permits for the month of September. He reported a gentleman inquired about the Key Energy property he is interested in purchasing. He wanted to use the original plans from a pizza place submitted in 2010. Saville commented there is a five year window on approved plans. But if there is a change of use he would need to apply for a new land use permit. It was suggested all the plans needed to be closely reviewed.

There was no further business. On a 1st motion by Saville and a 2nd by Ake motion passed for the meeting to be adjourned.
